How does it work? It's as easy as...

- 1 Contact our office about selecting the most effective and profitable book package that best suits your group.
- 2 Plan your draw date, the date you want to hand out the raffle books which we suggest is a minimum of 6 weeks before your draw date. This allows your families/members a selling period of a minimum of 4 weeks and then a 2 week reminder period.
- 3 Obtain the necessary permits (ACT, WA only) or your Declared Status for Victoria.
- 4 Book online or download the booking form from www.australianfundraising.com.au or phone us on 1800 657 489. Email our office your logo/emblem.
- 5 We'll get the artwork for your raffle ticket to you within 24-48 hours. We despatch the raffle books to you approximately 10-14 days after your approval of the raffle ticket artwork, together with your co-ordinator's how to/information pack and posters.
- 6 Place the promotion posters around your premises.
- 7 Commence selling - hand out the books to your families/members. Use our free computer accounting software to automatically keep records of sold books/tickets. Or you can use the hard copy tally sheets.
- 8 Pay the 20% first payment 4 weeks after the receipt of your books. Our payment terms have been designed to take pressure off your cash flows.
- 9 Pay the balance of 80% two weeks before your draw which allows sufficient time to get your holiday certificates to you for your draw, and we also despatch the reward prizes for your sellers (not allowable in VIC).
